

Harvest Moon Auction

An evening to benefit Marin Elementary School's P.T.A.

Saturday, November 7, 2009

Albany Community Center

6:30 – 10:00 pm

Welcome to the Harvest Moon Auction, a Marin Elementary School PTA sponsored fundraiser. Thank you for attending this Live and Silent Auction. We sincerely hope you enjoy tonight's event! The funds we raise for this event will go a long way towards enriching the lives of our children. Each dollar earned supports the efforts of our PTA as we strive to provide our children and teachers with supplemental programs and resources.

Many hours and lots of hard work have gone into making this fun and important evening. Our generous community who supported us wholeheartedly, even in the midst of this grim economy makes the Harvest Moon Auction possible. A special thank you also goes out to the families, teachers, and staff that have contributed to this event and helped make it a success. We are truly grateful for all of the tireless volunteers who joined together in the planning and execution of this big event.

We can all take tremendous pride in knowing that we directly influenced the quality of our childrens' education. Thank you, and have a wonderful evening.

Silent Auction

- Every donated item will have a bid sheet in the auction area. Items will be grouped according to broad categories such as Art, Music & Collectibles, or Teacher Features.
- Each auction bid sheet will indicate the retail value of the donation, as well as a minimum bid and a bidding increment (Bids for items over \$50.00 must be in minimum increments of \$10.00) An auction item will not be sold for any amount under the minimum bid. An auction item will go to the highest bidder (over the minimum) at the time the silent auction is officially closed.
- You will be given a bidder number when you arrive at the event. Use this number to bid.
- When you bid on an item, write your bidder number and bid amount.
- Announcements will be made when tables/categories will be closing. Once closed, bid sheets will be picked up so the volunteers can collate them for final tallying.
- After 9:30pm, guests must check out and pay for their items. Please pay before you leave and take your items with you. This saves us a *tremendous* amount of work after the event.

Live Auction

- Bidding for all items will be on a competitive basis by hand signaling. Highest bidders acknowledged by auctioneer shall be the purchasers. Highest bidders shall identify themselves by bid numbers.
- In cases of dispute for the highest bid, the auctioneer will immediately hold a separate auction between those in dispute. The auctioneer has the sole and final authority to determine the winning bid.
- Once an item is declared "sold" the sale is final and the successful bidder will be responsible for covering bid price.

General Rules

- Your participation in the auction constitutes an agreement to abide by these rules.
- Payment in full is required the evening of the auction.
- All sales are final. There will be no exchanges or refunds on auction items except when specified. All auction items are sold "as is"
- Gift certificates should be kept in a safe place, as they are not replaceable.
- Values set for auction items are donor estimates and are not guaranteed by Harvest Moon Auction for tax purposes or for general value.
- Payments over estimated retail value may be tax-deductible as prescribed by law. The Marin PTA organization tax ID number is 94-600264.
- Please use personal services and vacation home stays within one year unless otherwise stated on gift certificate.
- All items are donated and accepted with good intent. Marin PTA is not responsible for donors going out of business, performance cancellations, acts of God, or donors that invalidate the use of an item bought at the auction.
